

## **Our focus:** Give you an experience that's anything but ordinary.

**At Aptevo Therapeutics, we help people with rare conditions move forward by:**

---

Providing high-quality, specialized, life-saving therapies for people with rare conditions

---

Connecting with people to learn about their needs

---

Developing empowering programs that enrich peoples' lives

---

## A different experience that helps **deliver a brighter future**

### The Aptevo B More Scholarship is specifically for people with hemophilia B

- Students at **all grade point averages** are encouraged to apply.
- Those who qualify will receive **up to \$2,000 in assistance**, which may be used toward certain costs of furthering their education after high school.
- Scholarships apply to any post-secondary education institution, including **undergraduate, graduate, doctoral, trade schools, and certifications** in the United States. Enrollment can be part time or full time.
- Recipients can **reapply for additional awards** after the end of the scholarship period as long as they meet the eligibility criteria.

Speak with your Aptevo representative or visit [BMoreScholarship.com](http://BMoreScholarship.com) to learn more and to sign up for alerts about application due dates.
